EDUCATION

Undergraduate(UG)
Trident Academy Of Technology Bhubneshwar

08/2020 - Present   *Bhubneshwar*

Courses
- Bachelor of Technology in Computer Science

Senior Secondary
Kolhan inter college chaliyama

04/2017 - 04/2019   *Seraikella*

Courses
- Science

PERSONAL PROJECTS

CamSharp |React, Express, MongoDB, Node.js Tailwind CSS, JavaScript (04/2024 - 06/2024) 🔗
- Developed and implemented a comprehensive booking system: Created a seamless booking process for cameras, lenses, and accessories, allowing users to easily select products and fill out booking forms.
- Engineered secure communication channels: Devised a system to send booking details directly to the admin via WhatsApp, ensuring real-time updates and efficient management.
- Constructed an intuitive admin dashboard: Designed a dashboard to display booking and product data for both admin and users, enhancing transparency and usability.
- Enhanced user authentication: Implemented JWT-based user authentication to ensure secure access, improving overall data security and user privacy.

Pathshala | React, Express, MongoDB, Node.js Tailwind CSS, JavaScript (07/2023 - 08/2023) 🔗
- Devised and implemented a secure login system featuring distinct access controls for students and teachers, enhancing data security and user privacy .
- Developed interactive dashboards customized for students, incorporating performance metrics such as grades, notifications, and meeting schedules, resulting in a 20% increase in user engagement .
- Engineered a versatile platform for teachers to efficiently manage student data, subject listings, and communication, leading to a 30% improvement in administrative efficiency .

SKILLS

React.js C++ HTML5 CSS JavaScript Tailwind CSS Node.js Express.js MongDB Git Visual Studio

ACHIEVEMENTS
